intelligent-devsecops/" data-sk="tooltip_parent">Duo Agent Platform</a>, customers get AI
benefits at every stage of the SDLC.</p>
<p>The same principles built into our products are reflected in how our team works: we
embrace AI as a core productivity multiplier, with all team members expected to
incorporate AI into their daily workflows to drive efficiency, innovation, and impact.
GitLab is where careers accelerate, innovation flourishes, and every voice is valued. Our
high-performance culture is driven by our <a class="c-link"
href="https://handbook.gitlab.com/handbook/values/" target="_blank" data-stringify-
link="https://handbook.gitlab.com/handbook/values/" data-
sk="tooltip_parent">values</a> and continuous knowledge exchange, enabling our team
members to reach their full potential while collaborating with industry leaders to solve
complex problems. <a class="c-link" href="https://www.youtube.com/watch?
v=0uZIb5zszQI" target="_blank" data-stringify-link="https://www.youtube.com/watch?
v=0uZIb5zszQI" data-sk="tooltip_parent">Co-create the future with us</a> as we build
technology that transforms how the world develops software</p></div><div><p><strong>This
is a future opportunity that may not be immediately available, but we're proactively
building our pipeline of exceptional talent. At GitLab, we believe in connecting with
outstanding professionals before we have an urgent need, allowing us to move quickly when
the right moment arises. If you are excited about co-creating the future as we're
building the most comprehensive AI-powered DevSecOps platform, we want to hear from you.
We'll keep your information on file and reach out when a position becomes available that
matches your skills and interests.</strong></p>
<p>#LI-DNI</p></div><div><hr>
<p><strong>Country Hiring Guidelines: </strong>GitLab hires new team members in countries
around the world. All of our roles are remote, however some roles may carry specific
location-based eligibility requirements. Our Talent Acquisition team can help answer any
questions about location after starting the recruiting process.  </p>
<p><strong>Privacy Policy: </strong>Please review our <a
